How Can You Succeed?

• Understand the ACC’s structure, vision, & strategy
  ✓ How can you align your objectives with the ACC’s?

• Define Your Goals
  ✓ Why do you want to get involved with the ACC?
  ✓ How do these goals fit into your career plans?

• Fulfill Your Responsibilities When You’re Involved
  ✓ What is the scope of your appointment?
  ✓ What are your active or future projects?
Advice from ACC Leadership

• Work hard to find your passion.

• Don’t be afraid to seek out multiple mentors.

• Find your professional home as it can serve as a valuable asset during your career.

• Achieving work-life balance demands considerable daily prioritization.

• Every challenge is an opportunity in disguise.

• Embrace the challenges that lie ahead!

Adapted from Kim Eagle, MD, MACC
Next Steps

• Familiarize yourself with the ACC’s structure, vision, strategic goals, and strategies
• Read about Member Sections, Councils, Committees on ACC.org
• Identify a need or area of interest
• Reach out to your state chapter to find opportunities for involvement
• Watch for calls for applications for national ACC positions
• Set realistic goals and expectations
• Focus, finish and follow through!
Get In Touch with Us!

• Email us at fellowsintraining@acc.org

• Tweet at us using the hashtag #ACCFIT

Welcome to your career in Cardiology
We look forward to meeting you!
